## **Barbeque Announcement**

The Summer Barbeque is scheduled for Friday 12th July.

There are various reasons why it needs to be this date:  
transition days, school performances...

At last night's Friends of Estfeld meeting it came to our attention that 5-6 of our key members are not available on this date.

This means that setting up tables and arranging the bar; collecting ice, bread rolls and any other last minute items; helping run the bar; selling raffle tickets and clearing away tables chairs and litter are all jobs where we will need a significant amount of additional help.

Please can you let a member of Friends of Estfeld know by Friday 29th March, if you can help out on the night, or in the build up to the event.

If we can't get enough volunteers together, we will have to cancel the event for this year.

Many thanks for your support.

Sonya Leighton, Friends of Estfeld Chairperson.
