

Tickhill Estfeld Primary School

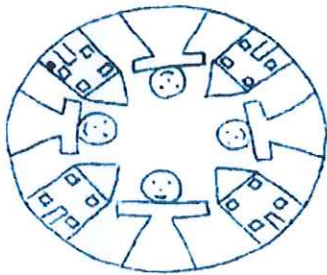

Wednesday 7th February 2018

Competition Time – Calling all artists

After many years of being known as Estfeld Home and School Association our parents, grandparents and other family members who have helped to fundraise and organise social events have decided to rebrand themselves. They are now known as Friends of Estfeld.

Below is the letterhead and logo which has served the Home and School Association well, but now also needs updating.

Estfeld Home and School Association

**Estfeld School, Common Lane
Tickhill, Doncaster
South Yorkshire
DN11 9JA**

The Friends of Estfeld committee has approached school to ask if our pupils could design a new logo. The winning design will appear on all of their newsletters and posters – so this is your chance to have your design on display for many years to come.

Please draw your design for a new logo below for Friends of Estfeld in the space below. It might be just the thing to enjoy during the half term holiday. You may choose the shape of the design. You may want to think about the events that the Friends of School organise throughout the year, such as the Sponsored Walk, Christmas Fair, school discos, Paint a Pot, Summer barbecue etc. and how parents and pupils at school get involved.

Good luck with your design! Closing date Friday 23rd February 2018.
