

Dear Parents,

**2018 Calendars**

Our children have all been busy creating their self-portraits for our School Calendars. All children will have their portrait in their birthday month and these calendars are perfect for jotting down all those School Events you need to remember! They also make a lovely Christmas gift.

We are taking orders now for Calendars and if ordered this week you can collect at the Christmas Fair. Calendars ordered after Thursday will be available next week for collection.

Please complete the slip below for your Calendar order – all cheques should be made to “Tickhill Estfeld Home and School Association”.

Many Thanks to our 12 Sponsors who have contributed to our Calendar being made.

Kind Regards, the HSA Team
