Dear Sir/Madam

Highway Repairs on Airedale Avenue & Herril Ings, Tickhill

Carriageway improvement works are due to commence at the above location on Monday 4th March for a period of up to 4 days.

The scheme involves large area resurfacing and maintenance patching of the carriageway on Airedale Avenue and Herril Ings.

Road closures on the Airedale Avenue estate (including Herril Ings and Croft Drive) will be required during working hours to undertake the works safely. Works are to be undertaken between the hours of 08:00 – 18:00. No vehicle access will be available to through traffic during this time. Vehicular access when possible will be available to residents directly affected by the works. Pedestrian access will not be affected. All vehicular access will be regained at the end of each working day.

To enable the works to proceed easily, please could residents help us by avoiding having vehicles parked on the road during working hours.

To minimise disruption and conflict with the works, please access and egress the estate at Common Lane.

Arrangements have also been made for the domestic refuse bin (black bin) collection to be made early on Tuesday 5th March to avoid conflict with the resurfacing works.

Please ensure that your bin has been put out before 07:00am to avoid missing the collection.

I hope this information is useful to you and if you require any further information, or have any particular special need, then please contact the authority on 01302 736000.

Kind Regards

Daniel Palmer

Asset Maintenance Engineer
