E-safety Parents Meeting – Wednesday 2nd May 2018 – 6pm

As you will already be aware from our last newsletter, school has arranged a meeting on the subject of e-safety led by Lucy Grimes for parents and carers of pupils in all year groups on Wednesday 2nd May 2018 at 6pm. Lucy is one of the Safeguarding team at Doncaster Local Authority.

The meeting will last for about one hour and Lucy will present information about steps that parents can take to safeguard their children when using technology and also raise awareness of new and developing technology. Lucy is willing to speak about specific areas of e-safety or digital awareness that are of interest to parents. Please indicate in the space below if there is anything specific that you require, so that we can let her know in advance.

Following our survey at Open Evening we were very happy to find that the vast majority of parents were confident that they were aware of the issues related to e-safety and that they regularly monitored their child's use of technology, the internet and social media. Some parents did indicate that they would like to know more about e-safety measures that they could take, especially new devices and platforms as this is something which constantly changes.

Everybody is welcome. (Please feel free to bring along extended family if they would find this information useful). Even if you are confident in this area please attend if you can; there is always something new with regards to technology and it would be good for parents and carers who may be more confident to liaise with those less confident and perhaps be able to support others in the future.

Please complete the form below indicating how many places you require by Monday 30th April 2018. We look forward to seeing you.

Yours sincerely

Miss Diane Risley

Please tick appropriate box:

I/we will be attending the e-safety meeting on Wednesday 2nd May 2018.
I require _____ places.

Please indicate if there is any particular topic that would be of interest to you below.

I/we will not be attending the e-safety meeting on Wednesday 2nd May 2018.

Name of your child/children _____
