Dear Parents and Carers

Re: Amazon Wishlist

We would like to let you know about our Amazon Wish-List. This is a list that you can access through your own Amazon account (if you have one) and is full of items that school would like to purchase, but our budget won't quite stretch to.

We have had several offers from parents and carers who are keen to purchase something for school, so we thought setting up a wish list was the best way of letting you know what we would like.

Of course, there is no obligation to buy anything at all, but if you wish to purchase an item for school it would be gratefully received. You can also add a gift note so that we can see who our gift is from. We will continue to add items to the list throughout the academic year.

To access our wish list, you will need to login to your own Amazon account, click on **Your Lists** at the top right hand side of the page, click **Find A List** from the drop down menu and type in **Tickhill Estfeld**. This will bring up a separate list for each class. When you add an item to the basket, you can either have it delivered to your own address or you can set up the school address as per the top of this letter.

Yours faithfully

D M Risley
Headteacher
