

Inspiration Assemblies

Dear Parents/Carers,

We need your help!

As a parent/carer, you enthuse and motivate your child every day. You all have a wealth of experience that could benefit our pupils and we would like you to share this with us. We are keen to host assemblies where we invite parents/carers/family members to speak to the children about their chosen career. It is hoped that hearing about different job roles will inspire our pupils and help them to have an idea of the type of career path they could aspire to follow when they grow up.

If you are interested, I would e-mail you a template PowerPoint presentation that you could complete and we could arrange a time that is mutually convenient. The assembly would include a ten-minute presentation and a short question and answer session.

Please complete the reply slip and return it to me if you are interested in participating.

Yours sincerely
Mrs A Painter
