Dear Parents/Carers

As you are aware our school has a broad and balanced curriculum, designed to equip our pupils with skills for life, which they can develop and build upon as they mature and become adults. Part of our curriculum is the statutory responsibility to deliver Sex and Relationships Education (SRE), which we do throughout a child's school life. SRE is lifelong learning about physical, moral and emotional development. It is about the understanding of the importance of loving and caring relationships. It is about the teaching of sex, sexuality and sexual health.

During Year 6 the children build on their existing knowledge of life cycles and learn more about the basic biology of human reproduction including the conception and birth of a baby. **At Estfeld this section of the curriculum will be taught on the afternoon of Friday 9th November 2018.** The lessons will be delivered by the School Nurse, with Mrs Butterfield present.

If you have any questions or concerns regarding the content of this letter, or the content of the lessons, please do not hesitate to contact school.

Parents do have the right to withdraw their children from this part of the curriculum and alternative work would be set. However this rarely happens, as by working in partnership with parents they recognise the importance of this aspect of their child's education.

Please complete and return the attached slip to the school office by Tuesday 6th November 2018. Thank you.

Yours sincerely

Miss D M Risley
Headteacher
