Pupil premium strategy statement – Tickhill Estfeld Primary School

This statement details our school's use of pupil premium (and recovery premium for the 2021 to 2022 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

• Statement date: September 2022

Review date: July 2023

• Statement responsibility: Headteacher & Strategies Governor

School overview

Detail	Data
School name	Tickhill Estfeld Primary School
Pupils in school	218
Proportion of disadvantaged pupils	9 pupils – 4.1%
Pupil premium allocation this academic year	2021-22 financial year £8340 (6 pupil premium and 2 services)
Academic year or years covered by statement	2021 -2024
Publish date	December 1 st 2022
Review date	September 2022
Statement authorised by	Diane Risley (Headteacher)
Pupil premium lead	Amanda Painter (Headteacher)
Governor lead	Will Taylor

Funding overview

Detail	Amount	
Pupil premium funding allocation this academic year	£12465 (+£640 services premium)	
Recovery premium funding allocation this academic year	£2000	
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£0	
Total budget for this academic year	£15105	
If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year		

Part A: Pupil premium strategy plan

Statement of intent

At Tickhill Estfeld Primary School, we know that high quality teaching and leadership are vital in raising attainment. All pupils learn best when they are in class with their teacher and are accessing "quality-first teaching". We also know that schools that are most effective in improving outcomes for disadvantaged pupils use research-based evidence about what makes a real difference to pupils' outcomes when planning specific interventions. We are aware of current research and good practice, and take this into account when planning our curriculum. We recognise that disadvantaged pupils are not a homogenous group and employ targeted approaches for groups or individuals facing particular barriers to ensure the best possible learning outcomes for all. Whilst the pupil premium has focused many schools' attention on raising the attainment of low performing pupils, more-able disadvantaged pupils are also at risk of underachievement too.

At Tickhill Estfeld our expectation is that all pupils, including those eligible for Pupil Premium funding, make good progress over time and achieve high outcomes, that they develop skills and personal qualities that allow them to access their learning and access a wide range of social and cultural opportunities.

Our intention is that all pupils, irrespective of their background or the challenges they face, make good progress from their starting points and achieve high attainment across all subject areas. The focus of our pupil premium strategy is to support disadvantaged pupils to achieve that goal, including progress for those who are already high attainers.

We consider the individual challenges faced by our vulnerable pupils, such as those who are Young Carers; pupils who are adopted; pupils who are living with challenging family circumstances. The provision we have outlined in this statement is also intended to support their needs, regardless of whether they are disadvantaged or not.

Through a three-tiered approach, quality-first teaching is at the heart of our strategy, with a focus on areas in which disadvantaged pupils require the most support. This is proven to have the greatest impact on closing the disadvantage attainment gap and at the same time will benefit the non-disadvantaged pupils in our school.

Implicit in the intended outcomes detailed below, is the intention that non-disadvantaged pupils' attainment will be sustained and improved alongside progress for their disadvantaged peers. Our strategy also dovetails with wider school plans for education recovery, notably in its targeted support through the Catch-Up Premium for pupils whose education has been worst affected by the Coronavirus Pandemic, including non-disadvantaged pupils. Our approach will be responsive to common challenges and individual needs, rooted in robust diagnostic assessment and structured conversations, not assumptions about the impact of disadvantage. The approaches we have adopted complement each other to help pupils excel and thrive.

To ensure they are effective we will:

• prioritise our pupils' emotional needs, first and foremost, so that they have the right attitudes for learning (self-esteem, resilience, positive relationship building)

- adopt a whole school approach in which all staff take responsibility for disadvantaged pupils' outcomes and raise expectations of what they can achieve
- assess accurately and make sure the targets set are achievable and are challenging.
- rigorously monitor pupil progress to ensure provision is effective and interventions are appropriate for overall progress.
- Involve parents in their child's learning and progress so we can work in partnership to build positive relationships and ultimately accelerate learning and well-being for our pupils.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Maths attainment for children in receipt of PP funding.
2	Reading attainment for children in receipt of PP funding.
3	Progress and attainment of pupils in receipt of PP funding.
4	Depth across the curriculum.
5	Wider opportunities and life experiences.

Intended outcomes

This explains the outcomes we are aiming for by the end of our current strategy plan, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Outcomes in Reading throughout school are in line with similar schools nationally.	Attainment and progress of children in Reading will be in line with similar schools nationally.
Outcomes in Writing throughout school are in line with similar schools nationally.	Attainment and progress of children in Writing will be in line with similar schools nationally.
Outcomes in Maths throughout school are in line with similar schools nationally.	Attainment and progress of children in Maths will be in line with similar schools nationally.
School to provide additional support from the recovery premium to identify and address gaps in learning caused by lockdown experience.	Children who were unable to engage in remote learning are able to close the gap between themselves and peers who engaged fully in remote learning.

All pupils access the full National Curriculum and wider opportunities provided as the school's curriculum offer.	Pupils are able to participate in all curriculum subjects and the wider opportunities that Estfeld's curriculum offers.
	Pupils will have access to the outdoor learning area at Estfeld.
Early identification of children in receipt of PP in FS and KS1	School will have encouraged parents to apply for Free School Meals at the initial transition meeting and provided support with this.
Good or better rates of progress and attainment for all pupils including PP	Progress for PP pupils will be in line with that of non-PP pupils.
pupils.	Attainment for PP pupils will be in line with that of all pupils nationally.

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) this academic year to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £1500

Activity	Evidence that supports this approach	Challenge number(s) addresse d
Internal CPD	High quality teaching and learning has the greatest impact on the attainment and progress of children. (EEF)	1 2 3
Specific CPD around the development, intent, implementation and impact of the curriculum.	Collaborative learning shows moderate impact for a low cost with 5 months gains. (EEF) https://educationendowmentfoundation.org.uk/evidenc-e-summaries/teaching-learning-toolkit/collaborative-learning/	4
CPD/time monitoring own sub- ject areas	Collaborative learning shows moderate impact for a low cost with 5 months gains. (EEF) https://educationendowmentfoundation.org.uk/evidenc	1 2 3

	across school	e-summaries/teaching-learning-toolkit/collaborative- learning/	
•	Time for teachers to reflect on the impact and de- velop the progres- sion of skills docu- ments.	Collaborative learning shows moderate impact for a low cost with 5 months gains. (EEF) https://educationendowmentfoundation.org.uk/evidenc-e-summaries/teaching-learning-toolkit/collaborative-learning/	3 4 5
•	Continue to embed VIPERS and Paw- some Pals compre- hension strategies.	Teaching reading comprehension strategies has moderate impact for very low cost + 5 months gains (EEF) https://educationendowmentfoundation.org.uk/evidence-summaries/teaching-learning-toolkit/reading-comprehension-strategies/	2
•	Purchase, implement and embed new phon- ics scheme (Floppy's Phonics).	Early Literacy approaches has high impact for very low cost +4 months gains (EEF) https://educationendowmentfoundation.org.uk/education-evidence/early-years-toolkit/early-literacy-approaches	2
•	NFER assessments. Moderation	Effective feedback has high impact for very low cost with 8 month + gains (EEF) https://educationendowmentfoundation.org.uk/evidenc-e-summaries/teaching-learning-toolkit/feedback/	1 2
•	Sharing good prac- tise – SPP project , visiting (Remotely / TEAMs) other schools.	Collaborative learning shows moderate impact for a low cost with 5 months gains. (EEF) https://educationendowmentfoundation.org.uk/evidenc-e-summaries/teaching-learning-toolkit/collaborative-learning/	3

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £11105

Activity	Evidence that supports this approach	Challeng e number(s) addresse d
Floppy's Phonics	Early Literacy approaches has high impact for very low cost +4 months gains (EEF) https://educationendowmentfoundation.org.uk/education-evidence/early-years-toolkit/early-literacy-approaches	2
Assessment resources NFER	Effective feedback has high impact for very low cost with 8 months + gains (EEF) https://educationendowmentfoundation.org.uk/evidence-summaries/teaching-learning-toolkit/feedback/	1 2 3
Pre and Post teach	Metacognition and self-regulation has high impact for very low cost +7 months gains (EEF) https://educationendowmentfoundation.org.uk/evidence-summaries/teaching-learning-toolkit/meta-cognition-and-self-regulation/	1 2 3 4
 Additional 1:1 reading sessions Nessy Word Shark Reading comprehensi on intervention 	Reading comprehension strategies-EEF moderate impact for very low cost based on extensive evidence + 5 months gains (EEF) https://educationendowmentfoundation.org.uk/evide nce-summaries/teaching-learning-toolkit/reading-comprehension-strategies/	2
Success in ArithmeticNumber Shark	The EEF toolkit states that targeted interventions matched to specific students' needs can be highly effective.	1
Re- organisation of TA time to meet needs of pupils	The EEF toolkit states that targeted interventions matched to specific students' needs can be highly effective.	3
1:1 targeted support for pupils in need	The EEF toolkit states that targeted interventions matched to specific students' needs can be highly effective.	3
Tutoring	The EEF toolkit states that targeted interventions matched to specific students' needs can be highly effective.	3

TA time to work with children in receipt of PP funding	The EEF toolkit states that targeted interventions matched to specific students' needs can be highly effective.	3
Nuffield early language intervention.	Early years interventions – EEF state moderate impact with gains of 5 months based on extensive evidence. https://educationendowmentfoundation.org.uk/evidence-summaries/teaching-learning-toolkit/early-years-intervention/	2

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £2500

Activity	Evidence that supports this approach	Challenge number(s) addressed
Access to outdoor learning through development of outdoor learning area	EEF state a moderate impact for outdoor learning with gains of 3 months. https://educationendowmentfoundation.org.uk/evidence-summar-	5
Swimming lessons and resources	ies/teaching-learning-toolkit/outdoor- adventure-learning/	5
Music tuition		5
Learning mentor to support pupils with SEMH		5

Total budgeted cost: £15105

Part B: Review of outcomes in 2020-21

nationally. Outcomes in Writing	No pupils in receipt of PP undertook phonics screening in Autumn Term of Year 2.
throughout school are in line with similar schools nationally.	KS2 external SATS results - 100% of the 2 PP pupils achieved EXS or greater depth in all subject areas.
Outcomes in Maths	Phonics screening - 100% of the 2 PP pupils passed.
throughout school are in line with similar schools nationally.	MTC – One PP pupil was not working at the standard of the test and did not complete the assessment.
All pupils access the full National Curriculum and	KS1 SATS – 100% of the one PP pupil achieved EXS in all subject areas.
wider opportunities provided as the school's curriculum offer.	EYFS – 0% of the 2 PP pupils achieved GLD

School provides all pupils with the opportunity to access and experience enrichment activities and cultural experiences as part of the school curriculum and in extracurricular activities.

Families are sign-posted to events and activities that take place outside school.

Good or better rates of progress and attainment for all pupils including PP pupils.

- National Tutoring Programme was used to deliver tutoring to 31 KS2 pupils. The average points of progress made was twelve using our internal monitoring system (a good level of progress is 4 per term).
- The curriculum was not narrowed. All pupils had access to all subjects. Interventions all take place during assembly, registration or transition times.
- There were many enrichment opportunities offered to all pupils including visits, residential trips and performances in school. PP children received financial support to access after school clubs and also visits if required.

Externally provided programmes

Please include the names of any non-DfE programmes that you purchased in the previous academic year. This will help the Department for Education identify which ones are popular in England
